

academic relations

by Louise Pay, PhD

about louise

Louise is a former academic seeking to help create better working environments for those inside and outside of academia through content creation, brand promotion, writing, editing, and consulting (for individuals and teams).

Louise founded Academic Relations to provide academic editing services and consulting with the following areas of focus:

PROJECT-FOCUSED CONSULTING

- Grant/proposal applications
- Journal article writing & submission
- Award applications
- Project development
- Project management

CAREER-FOCUSED CONSULTING

- Finding your "why"
- Identifying goals, values, & motivations
- Interview preparation
- Career development
- Deciding what's next

MANAGEMENT-FOCUSED CONSULTING

- Handling conflicts
- Building excellent teams
- Developing communication skills
- Reducing stress in your lab/group
- Getting results
